JHB/VT/33314

Dear Beverly

PM 1360 Foreign Filing
Our File: 33314

Thank you for your letter of 2 March instructing the foreign filing of this case before 13 May.

With some two months in hand I would recommend revision of the claims before foreign filing; because the existing claims do not conform to practice in any of the countries concerned. Please confirm that you agree that I should prepare revised claims for approval within the next few weeks.

please
I note that Fish & Neave are preparing the formal drawings. Could I ask them to send to me a soft copy of the finished drawings as soon as it is available because this will be easier to follow than the present informal drawings. True formal drawings prepared in accordance with the regulations of the different countries can then follow once they are printed.

Yours sincerely

J. H. Bass
